

## Hashtags for 'Connecting the Dots' campaign

We'd love your help getting the word out there about our Connecting the Dots events.

If you could use the @ symbol to mention [@communitycapitalfoundation](#) that would be great.

We've also included some hashtags below that it would be great to include in posts:

#RaiseYourHand	This is the official Connecting the Dots hashtag
#ConnectingTheDots	
#CCF	For Community Capital Foundation
#YouthMentalHealth	
#MentalHealth
